AN AMAZING FUTURE AWAITS YOUR CHILD

Cityscape Schools provides young learners an environment full of rich and engaging learning experiences. This is a place where children are encouraged to become independent learners and develop a passion for knowledge that will last them a lifetime.

Our Early Childhood education program provides every child with opportunities to explore, question, create and achieve – individually and together. We work with each family to build their child's self-esteem in a safe, positive, and loving atmosphere.

ADVANTAGES (of Early Childhood Education)

Children who participate in Pre-K education perform better when they get to K-12 school. They are more likely to graduate from high school and go to college – providing more opportunities to earn a higher income.

This is an important time in a child's life because they learn how to interact with classmates, teachers, and parents. They learn critical skills like listening, sharing, and taking turns. Preschool is also a time when children discover interests that will stay with them for a lifetime.

An Early Start is Best!

WHAT WILL YOUR CHILD LEARN?

Cityscape Schools offers a high-quality, well-planned curriculum, based on the Texas Pre-K guidelines. Our daily program focuses on social and emotional development to help promote independence, self-confidence, and self-control.

At Cityscape Schools, our students thrive academically, socially, and emotionally.

SET YOUR CHILD APART

Pre-K 4 Dual Language Enrichment Program

At Cityscape Schools, all students will have the opportunity to graduate bilingual and biliterate.

Our Dual Language Enrichment program in Pre-K 4 classrooms introduces students to the basics of Spanish and English. Kids will benefit from learning both languages through fun integrated songs, finger plays, daily routines, and thematic vocabulary.

TAKE THE FIRST STEP TO AN AMAZING FUTURE FOR YOUR CHILD!

Our Pre-K FULL DAY program is **TUITION FREE*** and open to every child regardless of their zip code or financial situation. For more information on the qualifications for admission, call us at (972) 669-9327. We would love to talk with you. **Space is limited, so call today!**

YOUR CHILD'S AMAZING FUTURE IS NOW OPEN!

In January 2021, we will open our new Early Childhood Center at 6015 Lindsley Ave in Dallas. This beautiful 16,000 square foot center includes some very exciting features:

- State-of-the-art classrooms are developmentally appropriate, and ideal for learning
- Indoor and outdoor specifically designed areas that promote interactive play and gross motor development
- Child-centered learning environment geared for beginning reading and writing skills, and oral language development
- **Your kids will love it!**
